No. 2
April 2018

Meeting in Catania ,
13th – 14th April
2018

During the second meeting, the partners shared the work done in creating the Training Model and Curriculum, exchanged ideas and established an action plan on how to create the learning/training/assessment resources.

The first project's
Outputs
European Training
Model for the
Caregivers of
Older People

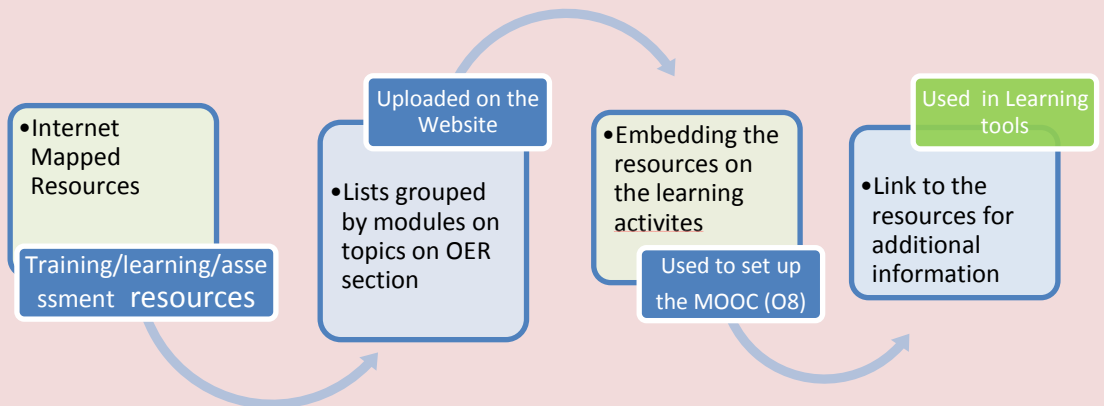

The IENE7 Training model is based on the the original Papadopoulos, Tilki and Taylor Model (PTT)for Developing Cultural Competence (1998, 2006) and the PTT/IENE Model for Intercultural Education of Nurses in Europe.

Download the Model at <https://iene7.eu/training-model/>

Output no. 2 The Training Curriculum

The model provided the framework for building and delivery of the Training Curriculum for the caregivers of older people. The Curriculum modules and topics are based on the competences established in the four areas of the Training Model.

Work in progress

In the next period, partners are working on mapping on Internet the training/learning/evaluation materials and creating the learning tools and resources which will be used in the development of learning activities on the Massive Open Online Course (MOOC).
