

Pre-course questionnaire will help us to get a better idea of your objectives and expectations for this course.

Your answers will give your trainer an understanding of your preferred learning style and of the knowledge, skills, and experience you already have.

Click on each question and answer it, choosing True or False, as you agree or not agree with statements.

Once answering to all questions, submit the quiz.

There are not correct answers or wrong answers. If you do the quiz, you may get 2 points.

Thank you to take the survey!

Pre-course questionnaire

About you
